Letter dated 11th December 1919, from the Honorary President, City Municipal Council, Bangalore, to the Chief Secretary to the Government.

The khilafat agitation has spread to the City and there is a strong feeling in the community against the Mahomedans taking part in the Peace Celebrations. I am told that the Mahomedan poor will boycott the feeding and clothing. The Pandal in the Bamboo Bazaar in which it was intended to feed the poor was suddenly taken down last night. Feeling in the Cantonment runs high and it has spread to the City. I am however doing my best to conciliate the Mahomedan feeling.

Dear Dr. Coleman,

Government have sanctioned certain sums of money for public Peace Celebrations. I do not think there is any idea of sanctioning separate allotments for individual Institutions. Of course, if the Agricultural School has got any money to spare, I do not suppose that Government will object to any reasonable sum being spent on celebrating the Peace in the School.

Yours sincerely,
